Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

## Where is Key West?

Key West is one of the busiest manufacturing ports on the Atlantic coast. Cigars, of course, constitute the principal article of export. The Key West is situated on the Florida coast, only sixty miles from Havana. The famous Key West cigars are made from tobacco of the finest Havana, and are made by Cuban workmen. The tobacco only has to pay an import duty of \$2.50 per pound and 25 per cent ad valorem on cigars. The climate is the same as in Cuba, consequently the aroma is the same as in the imported cigars. Smokers should take these facts into consideration and call on Ashmun & Walker, who have just received a fresh stock of the best brands of Key West Cigars, including the "Estrella," "Columbia," etc.
